

# Inicio de sesión

A mobile application login screen displayed on a smartphone. The screen has a white background and is framed by a black border representing the phone's bezel. At the top, there is a status bar with a grey background showing a Wi-Fi icon, a cellular signal icon, a battery icon, and the time 5:17. Below the status bar, the text "App Name" is centered in a large, black, sans-serif font. Underneath, there are two input fields: the first is labeled "username or email" and the second is labeled "password", both in a small, grey, sans-serif font. Below the password field is a blue rectangular button with the word "Login" in white, bold, sans-serif font. Under the button, there is a link that says "don't have account. Register" in a small, blue, sans-serif font. At the bottom of the screen, there are three links: "Forgot password", "Company", and "Contact", separated by vertical bars, all in a small, blue, sans-serif font. The phone's home indicator bar is visible at the very bottom.
